THE STORY

Infinity

CURTAIN TEXTILE COLLECTION

Infinity takes inspiration from the Belonging Trend outlined by Global Trend Forecaster, Victoria Renshaw. Described as bringing about greater understanding and exclusivity through design and texture, the Belonging trend adds focus to heritage craft processes and indue practices in our contemporary lives.

Infinity collection comprises of two on-trend neutral coloured sheers that are leno weaved together to achieve a natural and rattan look texture and feel.

Leno weaving is a weave in which two warp yarns are twisted around the weft yarns to provide a strong yet sheer fabric. The standard warp yarn is paired with a skeleton or 'doup' yarn; these twisted warp yarns grip tightly to the weft which causes the durability of the fabric.
