CURTAIN TEXTILE COLLECTION

We'll admit it. We are velvet-look addicts!

Velvet is often thought of as the fabric of choice to achieve a luxurious interior aesthetic. If you're looking to make a real statement, the Tayalla collection provides the ultimate wow factor.

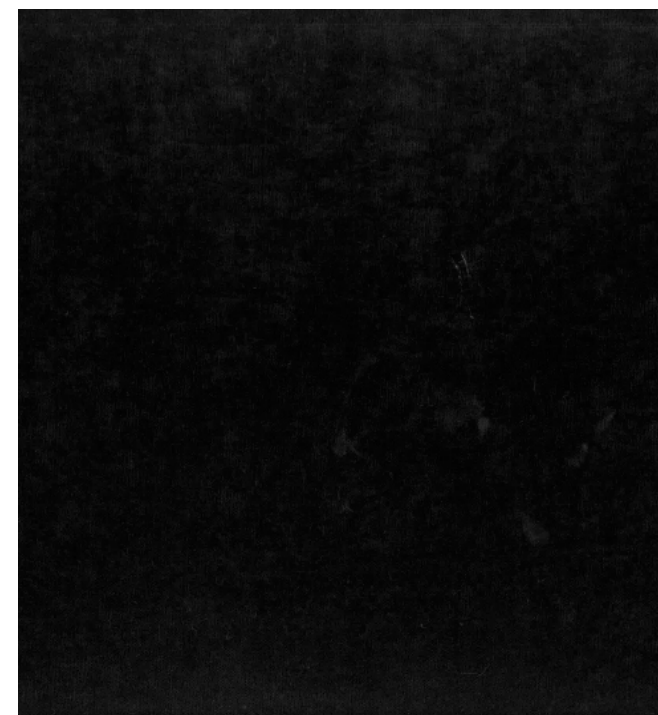

Seduced by the soft qualities of velvet, Tayalla offers the look of an opulent and affluent velvet fabric, with the ease of 100% woven Polyester. The story of Tayalla explores rich jewel tones that lie amongst the natural stones and sands of the earth.

Woven at 295cm continuous, Tayalla presents a beautiful choice for theatre interiors alike. The Tayalla collection has also been carefully crafted to match back to our popular print fabrics throughout the entirety of our Maurice Kain drapery library.
