THE STORY

CURTAIN TEXTILE COLLECTION

Designed for light filtering properties, Lithgow follows a beautiful story of forest green and deep navy accents surrounded by natural and earth derived tones. Our designers found a way to mix the perfect formula of Linen and Polyester to create this decadent semi-sheer drapery. Lithgows' high linen content explains the subtle and soft drape it showcases.

Our designers chose a semi-sheer base for Lithgow because they wanted to give interior enthusiasts an opportunity to experience more privacy than a standard sheer drape would allow. Offering the perfect balance for a stunning window furnishing.
