## The Zaab Difference

At Zaab, our unwavering passion for design ignites our creations. Drawing inspiration from the vibrant rhythm of everyday life, our meticulously crafted indoor and outdoor cushions transcend ordinary decor. We select only the finest, premium fabrics to ensure that each cushion becomes an ambassador of luxurious relaxation. This is the Zaab difference.

### Our Product

Exquisite craftsmanship and a steadfast commitment to quality lie at the core of every Zaab cushion creation. However, it is important to note that due to the made-to-order nature of our cushions, slight irregularities in materials, fabrics, or prints may occur, adding to the distinctive character of each piece. These subtle variations are an inherent part of the manufacturing process.

### Cushion Insert Guide

At Zaab we like to give to our customers variety. This is why we provide to options of insert: Polyester or premium feather. Both choices make our beautiful Zaab cushions even more versatile. Please note our feather inserts are not outdoor grade but are perfect for patio and well shaded areas. Our cushions are stuffed locally in our Geelong warehouse located in Victoria Australia.

#### Polyester Inserts

100% Polyester fibres with a soft feather-like feel.  
Quality 100% Polyester cover.  
Generously filled.  
Plump and pert. Soft and supportive.  
Vegan friendly.  
Allergy and odour-free.  
Machine washable and may be tumble dried.

#### Premium Feather Inserts

100% duck feather.  
Quality 100% cotton downproof cover.  
Generously filled.  
Relaxed and easily mouldable.  
Warm and insulative.  
Air well before use - regular fluffing required.  
Machine Washable and may be tumble dried.

### Outdoor Range

The Zaab outdoor range is built to weather the harsh Australasian climates by offering UV stabilised colourfastness. Our soft cushion covers water repellent and are fully removable easy maintenance. Cushions should always be brought indoors in extreme weather conditions and avoid being exposed to heavy rain and/or stagnant water.

### Indoor Range

The Zaab indoor cushions are more than mere accessories; they are gateways to a realm of boundless creativity and elevated relaxation. Our soft cushion covers are easily removable to allow for easy maintenance. Our indoor cushions are not considered outdoor grade however can be used for patio and well shaded areas.

#### Recycled Content

We are committed to finding more sustainable ways to produce our cushions. The Zaab recycled content symbol represents products that have been thoughtfully created using recycled materials.

## Cushion Care Guide

Please refer to care label that will be located on all soft goods by a hang-tag or label sewn on the seam of your cushion. Always refer to the care label before attempting ANY cleaning. Treat spills as soon as possible to ease/prevent stains and permanent damage. Our advice is given in good faith and should not be considered a guarantee. If in any doubt, always consult a professional cleaning company.

### *Outdoor*

Zaab outdoor cushions are UV stabilised water repellent to allow for care-free outdoor use. To extend the longevity of our outdoor cushions we recommend storing items away when they are not in use and to spot clean items immediately following the event of a spill to prevent permanent stain/damage. Do not leave cushions wet, dry immediately.

### *Indoor*

Zaab feather-filled cushions should be shaken and/or fluffed regularly to maintain their desired plump appearance. A light vacuum with reduced suction every 6 months to maximise dust control is recommended. To extend the longevity of our indoor range we recommend spot cleaning items immediately following the event of a spill to prevent permanent stain/damage. Our indoor cushions are not considered outdoor grade however can be used for patio and well shaded areas. Indoor cushions should always be brought indoors overnight and in extreme weather conditions.
