blind fabric craftsmanship

EURO ST LUCIA

THE STORY

It is a simple one! Screen fabrics are so popular but not everyone likes the 'engineered' look, so Euro St Lucia is a softer version of a traditional screen. It is just as contemporary but with less of a minimalist look than most screens. Grab the swatch and put it in front of the window, it does a brilliant job at softening the light entering your home.

AVAILABLE IN 7 COLOURS:

ICE, WHITE, BIANCA, STONE, SILVER, STEEL, CHAROCAL

Suitable for roller blinds, roman blinds & panel glides.

HOW IT'S MADE
