

# WEYLANDS 300<sup>cm</sup>

Weylands, our top-selling blackout curtain fabric, offers the look of organic linen with the practicality of polyester. It features a 3-pass blackout coating for superior light control and is now available in a 300cm width, allowing for both up-the-roll and continuous usage, perfect for creating extra-wide, seamless curtains. With a UPF50+ rating and FR 1530.2 and 1530.3 certifications, Weylands is a safe and versatile choice for all domestic applications. The colour range has been expanded to 19 shades and is also now available as a ready-made option.
