

REJUVENATE

# PRODUCT RELEASE SHEET

Featuring an abundance of sophisticated attributes, Rejuvenate represents 320cm of environmentally conscious luxury. Made out of recycled Polyester, each meter of Rejuvenate fabric contains 81 one litre plastic bottles that have been recycled and prevented from entering landfill. Boasting an on-trend colourline of warm and cool neutrals that represent the many shades that take form in our nature, Rejuvenate offers subtle texture with a hint of personality for any interior aesthetic.
