

ORIX

In a fast-paced world craving authenticity and connection, the trend of natural looks, abundant texture, and organic forms remains a sanctuary for the soul in interior design.

Introducing Orix, our new semi-sheer curtain fabric. Meticulously crafted from boucle yarn and enhanced with a cationic dye, Orix brings out a rich, multi-tonal depth in every shade. Available in 10 naturally inspired colorways, Orix seamlessly blends beauty with a natural feel, transforming your home into a calming and tactile space.
