

BLYTHE

Blythe is a poly sheer enhanced with 10% linen, offering a subtle natural texture and an elevated, organic finish. This delicate blend softens the surface and adds character without compromising durability. The yarn-dyed technique brings a tonal cross-dyed effect to each of the nine colourways, creating gentle shifts in tone and visual interest. With a continuous 340cm width and stable base weight, Blythe is ideal for wide expanses, delivering seamless coverage and a graceful, flowing drape.
