

SANTIAGO

Bold and expressive with refined Art Deco influences, Santiago showcases a striking floral design that blends flowing botanical shapes with geometric structure. The result is a modern statement print with a confident yet elegant aesthetic. Printed on a dry, linen-look 100% polyester base cloth, Santiago offers the tactile appeal of natural fibres with the durability and ease of polyester. The fabric has a crisp, light handle, ideal for creating clean, tailored drapery.

Available in three contemporary colourways and a 300cm wide continuous width, Santiago is perfect for modern interiors seeking texture, movement, and sophistication.
