

# HUDSON COLLECTION

The Hudson Collection presents three elegant jacquard designs: Finley Stripe, a modern interpretation of a flowing stripe; Langford, a contemporary take on botanical motifs; and Tobias, a timeless ornamental pattern with classic appeal. Each design is available in a curated palette of 12 shades, highlighting soft neutrals and refined pastels to complement a variety of interior styles. Enhanced with a premium Blockout Silicone coating, the fabrics provide superior room darkening, effective thermal insulation, and easy care via machine washing. At 300cm continuous width, the collection eliminates the need for joins or complex pattern alignment, ensuring a seamless and professional finish. The range is sampled across three dedicated hangers.
