ST LUCIA

THE STORY

It is a simple one! Screen fabrics are so popular but not everyone likes the 'engineered' look, so St Lucia is a softer version of a traditional screen. It is just as contemporary but with less of a minimalist look than most screens. Grab the swatch and put it in front of the window, it does a brilliant job at softening the light entering your home. St Lucia is now available in a new width of 300cm with an updated colourline.

AVAILABLE IN 6 COLOURS:

ARCTIC, ICE, WHITE, STONE, SILVER, CHARCOAL

Suitable for roller blinds, roman blinds & panel glides.
