

LINESSE

Linesse is a 100% polyester sheer that brings subtle texture and contemporary softness to living spaces. Offered in 12 on trend colourways, the palette balances versatile neutrals with select understated tones, letting you keep a scheme soft and refined or introduce a gentle pop of colour while maintaining a modern aesthetic.

Woven in a generous 320cm continuous width, Linesse is ideal for wide expanses and higher ceilings, enabling seamless installations. Its refined texture and delicate surface variation create a linen inspired look, while the durability of polyester ensures dependable performance for everyday interiors. The result is a sheer that feels elevated yet practical, suited to both residential and light commercial spaces.
